## Ambassador Program

### What is a Titan Ambassador?

The Titan Ambassadors are a group of students selected to serve as official ambassadors of Gadsden City High School. They proudly represent GCHS, the Gadsden City Board of Education, and the entire system-wide student body. Titan Ambassadors ensure an extra measure of hospitality at Gadsden City High school, making visitors feel they have experienced a truly exceptional place. The student will provide a warm reception for guests and communicate a better understanding of all aspects of the school and the City of Gadsden. The organization's primary purpose is to assist GCHS, the Gadsden City Board of Education, and the City of Gadsden during functions held on the campus or in other locations. Their duties also include appearances at our middle and elementary schools, PTA/PTSO meetings, civic clubs, and a variety of city and community events. An important responsibility of the Titan Ambassadors is to host tours of GCHS for prospective students, families, and distinguished guests.

This program is based on Auburn University's War Eagle Girls and Plainsmen and The University of Alabama's Capstone Men and Women.

### How Can I Become a Member of the Titan Ambassadors?

Members are selected for their merit and character through a rigorous 2-part application and interview process held each year. ## Code of Conduct for Students Involved in the Titan Ambassador Program

All students are expected to adhere to the Gadsden City Schools Code of Conduct. Higher standards of conduct are expected of students representing the district in extracurricular activities, which are privileges. Students will be asked to sign a written contract agreeing to adhere to a higher standard of conduct as outlined below.

Students who violate the Gadsden City Schools Code of Conduct, or the specific standards outlined here will be assessed appropriate disciplinary consequences for the infraction. Disciplinary infractions may also result in the student's dismissal from the Titan Ambassador Program, or in limited participation for a period of time, as determined by the sponsors and principal.

Students are required to maintain a **3.0 GPA** in each of their **Core Curriculum** classes (English Language Arts, Science, Math, Social Studies). A student who receives lower than a 3.0 average in a Core Class will be placed on probation and will be allowed limited appearances, or will be restricted from all appearances, until the average is brought up to the minimum standard. During this restriction, however, the student will still be required to attend the monthly group meetings. Any student who fails to bring up their average to the 3.0 minimum the following semester will be dismissed from the program. In addition, students are responsible for taking their 9-weeks and semester report cards to their school sponsor for verification of minimum averages.

Any member of the Titan Ambassadors who is arrested for, or who receives a ticket involving, reckless driving, alcohol, drugs, or any other criminal act will be placed on immediate probation until the student's innocence or guilt is decided by a court of law. The student will be immediately dismissed from the Titan Ambassador Program if found guilty by a court of law. Any student who is found to be under the influence of drugs or alcohol while on school property or attending a school function will be immediately dismissed from the program. Further disciplinary actions will be taken by school authorities. Any student who is found under the influence of any drugs or alcohol at any Titan Ambassador meeting or appearance will be immediately dismissed from the program. Should this occur, a parent/guardian will be responsible for picking up the students from the appearance or meeting site in a timely manner.

Students are required to maintain a high moral standard of conduct with respect to themselves and others. As a member of the Titan Ambassadors, your conduct, character, and behavior reflect on the entire Gadsden City school system, as well as its students.

Any student who is placed on repeated probations (2 or more) for failure to abide by this Code will be dismissed from the program.
