GADSDEN, ALABAMA

The Gadsden City Public Schools are obligated to provide an atmosphere in which high performance can be achieved within a framework of high expectations. This task can be achieved only if an appropriate amount of time and resources are given to maintaining an environment of discipline conducive to the teaching/learning process. Parents and students are urged to be supportive of the CODE OF STUDENT CONDUCT and committed to the concept of the student's "right to opportunity and responsibility to learn."

The Gadsden City Schools 2024-2025 Code of Conduct will be available online through the Gadsden City Schools main website and individual school websites. The Code of Conduct is subject to change as new information is received from the ALSDE. Any new revisions will be added to the current handbook and reposted as needed.

# **GADSDEN CITY SCHOOLS CODE OF STUDENT CONDUCT INTRODUCTION**

The Gadsden City Board of Education believes that instruction should occur in an environment that is conducive to learning. Effective instruction requires good order and discipline which may be described as the absence of distractions, frictions, and disturbances which interfere with the effective functioning of the student, class, and school. Schools should maintain a friendly, yet business-like atmosphere in which students and school personnel work cooperatively toward mutually recognized and accepted goals.

As students progress in our public schools, it is reasonable to assume that an increase in age and maturity will result in the students' assuming greater responsibility for their actions. It is recognized that differences in age and maturity require different types of disciplinary actions.

To assist parents, administrators, and faculty in maintaining such an environment, the *Code of Student Conduct* is designed to accomplish the following:

- describe roles of the home, student, school and school personnel
- identify student rights and responsibilities
- define student discipline in the context of the Board of Education's philosophy
- identify formal disciplinary actions
- identify classifications of violations and describe procedures for disciplinary actions
- standardize procedures for administering formal disciplinary actions
- conform to the mandates provided in the Individuals with Disabilities Education Act (IDEA), Section 504, and the Americans with Disabilities Act (ADA)

Please read over the *Code of Student Conduct* carefully. There is an acknowledgement provided which both parents and the student are required to sign and return to the school.

## **EQUAL EDUCATION OPPORTUNITY STATEMENT**

It shall be the policy of the Gadsden City Board of Education that the school district shall provide on a nondiscriminatory basis, educational opportunities for children. No person shall be denied the benefits of any education program or activity on the basis of race, color, disability, creed, national origin, age, or sex. All programs offered by schools within the school district shall be open to all students in compliance with statutory and judicial requirement.

## **TITLE IX POLICY STATEMENT**

In compliance with Federal law, it is the official policy of Gadsden City Schools that no person, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program offered by Gadsden City Schools.

## **DUE PROCESS**

Due process within the Gadsden City School District is intended to insure fair and reasonable approaches to all areas of student governance and discipline on the parts of all school officials.

The Gadsden City Board of Education recognizes that observance of applicable substantive due process entails two basic considerations in every area. One is to produce, through the use of fair procedures, more accurate results: to prevent the wrongful deprivation of interest. The other goal is to make people feel that the school district has treated them fairly by, say, listening to their side of the story. To assure compliance with these two due process aspects, the Gadsden City Board of Education has endorsed the following as applicable to all policies, rules and regulations considered necessary to accomplish the district's interest of maintaining a proper atmosphere for learning in each school.

1. Each local school policy, rule or regulation must spell out its purpose, relating same to accomplishment of a legally defensible objective.
2. Each local regulation must be consistent with the established policies of the Gadsden City Board of Education.
3. All policies, rules and regulations at any level must be consistent with local ordinances, statutes of the State of Alabama, administrative regulations of duty authorized agencies; i.e., State Board or State Department of Education; Department of Human Resources.
4. Both policies of the Gadsden City Board of Education and regulations designated by local school administrators must be specific and precise. Vague and overly broad regulations do not adequately meet the due process requirement of adequate notice.
5. No board policies or local school codes of conduct can deny any students constitutional rights; neither policies nor rules or regulations can violate due process of law under the Fourteenth Amendment nor their rights under the Bill of Rights.
6. All discharge of administrative responsibilities and exercise of authority must recognize applicable legal parameters placed upon positions of school officials.
7. All exercise of administrative authority or that of other school officials, i.e., classroom teachers, must be capable of surviving close judicial scrutiny relative to freedom from arbitrary, capricious, discriminatory or otherwise illegal practices.
8. Students, parents, citizens, teachers, and administrators should be participants in developing local school codes of conduct.

Procedural due process within the school district shall relate primarily to the area of discipline measures, e.g., short-term suspension, long-term suspension and expulsion.

The degree of procedural due process afforded in each of the above situations shall be dependent upon: (1) the gravity of the offense a student is alleged to have committed; and (2) the severity of the contemplated penalty.

Before being punished for violation of board policies or school regulations, a student shall have the right of the following minimum due process procedures:

1. The student shall be given oral or written notice of the charges against the student.
2. The evidence against the student shall be explained to them.
3. The student shall be given an opportunity to present his own version of the facts concerning the charges.

When a student is facing possible long-term suspension or expulsion, the Board shall afford the student the following:

1. The right to obtain counsel,
2. The opportunity for cross examination of witnesses,
3. A record of the hearing; and
4. A written record of the decision.

## **ROLES OF PARENTS, STUDENTS, SCHOOL AND SCHOOL PERSONNEL**

In order for effective teaching and learning to take place in our schools, there must be a cooperative relationship among students, parents and guardians, and educators. This relationship may be described as:

### **PARENTS AND GUARDIANS WHO:**

- discuss report cards and work assignments with their child.
- provide the school with current emergency information relating to their child; including phone numbers, physician, and hospital, etc.
- attend scheduled parent-teacher conferences.

**STUDENTS WHO:**

- attend all classes daily and are punctual in attendance.
- come to class with appropriate working materials.
- show respect for all individuals and property.
- refrain from profane or inflammatory statements.
- conduct themselves in a safe and responsible manner.
- are clean, neat and appropriately dressed.
- are responsible for their own work, classroom and the school.
- show a positive, cooperative attitude toward school.
- seek change in an orderly and acceptable manner.
- refrain from bringing distracting or unsafe items to school.

**SCHOOLS THAT:**

- encourage the use of effective guidance procedures.
- maintain an atmosphere conducive to learning.
- exhibit an attitude of respect for students.
- maintain effective discipline based upon fair and impartial treatment of all students.
- welcome and encourage participation by parents and guardians in the school affairs.

**SCHOOL PERSONNEL WHO:**

- are regular in attendance and punctual.
- are prepared to perform their duties with appropriate materials and lesson plans.
- respect all individuals and property.

- abide by the rules and regulations set forth by the school and School Board.

  - ♦ conferences and/or contacts between administrators, parents, & guardians, teachers and students.
  - ♦ referral to special education or appropriate agencies for special problems.
  - ♦ continuous improvement of professional knowledge and skills.
  - ♦ positive, cooperative attitudes toward parents and guardians, students, coworkers, and the total school program.

**JURISDICTION OF THE SCHOOL BOARD**

Gadsden City School students are subject to the rules of the Gadsden City Board of Education during the school day, while in attendance at school-related activities, and while being transported to and from school or school-related activities. Jurisdictional control over the student may be extended to the immediate vicinity of the

school whenever the conduct of the student is deemed to have a detrimental effect on the health, safety and welfare of the school community.

## **DRUG-FREE SCHOOL POLICY**

### **Overview**

The Gadsden City Board of Education (the "Board") has adopted the Gadsden City Board of Education Drug-Free School Policy, (the "Policy"), a random alcohol and drug testing policy to promote the safety considerations noted herein and to deter the use of alcohol and drugs among high school and middle school students.

This policy will apply to three categories of students: (1) Activity students, consisting of students participating in (a) athletics or cheerleading (defined as any student, male or female, in grades seven through twelve, who is a member of any Board sponsored school sports team or cheerleading/dance squads), and (b) other school related extra-curricular activities (defined as any student, male or female, in grades seven through twelve, who is a participant of a Board sponsored extra-curricular activity during the school day or after school); (2) Parking students, consisting of students operating or parking a motor vehicle on campus (defined as any student, male or female, grades nine through twelve, who operates or parks a motor vehicle "at school" as defined herein); and (3) Volunteer students who have been voluntarily added to the random pool with the consent of his or her parent(s).

Participation in extra-curricular activities or operating/parking a motor vehicle on campus is a privilege, not a right. Students in these activities represent the school and the school system in interscholastic competition, public performances, and various other activities. They are role models for other students. Their use or abstinence from the use of alcohol or illegal drugs is likely to influence the choices of other high school and middle school students. In addition, the use or abuse of alcohol and/or illegal drugs by athletes or cheerleaders is likely to increase student injuries to the user or others with whom he or she is playing. Student drivers are inexperienced and pose a substantial risk to the safety of themselves and others should they operate a motor vehicle on campus or elsewhere while under the influence of alcohol or illegal drugs.

## **COMPULSORY ATTENDANCE**

The Gadsden City Board of Education shall enroll in school all students residing within the school district between the ages of six and seventeen years, not otherwise receiving instructions in a private school, church school, or being taught by a private tutor in accordance with state law. An accurate record of attendance for each pupil shall be maintained by the classroom or homeroom teacher or other designated person. This record shall be kept in the official register, or through other officially approved documentation provided or approved by the State Department of Education.

It is the policy of the Gadsden City Board of Education that students in grades 9-12 must register and begin attending classes no later than ten (10) days from the beginning of the semester in order to receive Carnegie unit credit for that semester. Ref: Ala. Code 16-28-3

## **STUDENT ATTENDANCE POLICY**

It is the belief of the Gadsden City Board of Education that regular school attendance is important to all students and to the school system. It is further believed that course content and grading procedures should be

structured in such a fashion that regular attendance is necessary in order to successfully complete course requirements.

It is the responsibility of parents/guardians and students to maintain regular and punctual student attendance. An absence is defined as non-attendance in a regularly scheduled class or activity, regardless of the reason for non-attendance. A student must be in attendance one-half day to be counted present. Remember to contact the school if you receive a calling post or text/email message that your child is not present at school and should be.

## **EXCUSED ABSENCE**

### **Parent(s)/ guardian(s) must provide the following:**

A written parent note or doctor's excuse must be sent to school within three (3) days of the student's return to school to be counted as an excused absence. **Excused absences are per student. Parents having more than one child absent must have a valid excuse for each child.**

### **"EXCUSED ABSENCES" are defined as the following reasons:**

1. Personal illness without a doctor's excuse – with a written parent note, NO MORE THAN 10 PARENT NOTES ARE ACCEPTABLE.
2. Personal illness – Students who are sick and whose illness would endanger their health and the health of others. A doctor's statement is required.
3. Student sent home by the nurse for the following: - Fever, Vomiting and Diarrhea is excused. 24 hours free from illness is recommended before returning to school.
4. Death in the immediate family – excused from school for a reasonable length of time.
5. Weather - preventing attendance (would endanger student's health).
6. Legal – Will be excused with documents from court officials.
7. Prior permission by the principal at the request of the parent/guardian.
8. Legal quarantine.
9. Recognized Religious Holidays - Students will be temporarily excused from attendance on special and recognized religious holidays.
10. School Sponsored Activities – Students are excused when participating in a school sponsored activity away from the school campus.

## **UNEXCUSED ABSENCE**

**If no legal or written excuse has been provided to the school within three (3) days after absence(s) the absence will be coded UNEXCUSED and the following will occur:**

1. First (1st) unexcused absence – school will telephone parent/guardian. Please update telephone number.
2. Third (3rd) unexcused absence – a letter will be sent home. If a student's address changed during the school year, parents must inform school officials immediately.

3. Fifth (5th) unexcused absence – Students name will be reported to the Board of Education, Office of Student Services/ Attendance. Parents/Guardian will be contacted to set up a conference. Failure to attend conference will result in filing of a complaint/petition with the courts.

4. Seventh (7th) unexcused absence – complaint/petition filed with the court against the parent/guardian under: Code of Alabama (1975), §16-28- 12(c) (failure to cooperate), or a truancy against the child, whichever is appropriate.

5. Five unexcused tardies will require the parent/guardian to attend a conference with the principal/attendance officer.

## **STUDENTS ARE TARDY AT THE FOLLOWING TIMES:**

**Elementary Schools 7:50 a.m.**

**Middle Schools 7:45 am**

**High School 7:48**

Excessive unexcused tardies can affect classroom grades.

### **I. ISS (In-School Suspension)**

**A.** For the purpose of this policy, ISS is **not** considered a class absence.

**B.** If ISS is not available, detention or Saturday school could be used when deemed appropriate by the administration.

### **II. ABSENCES/ACADEMIC WORK**

**A.** Class work missed during unexcused absences may not be made up. An Out-of-School Suspension (OSS) is an unexcused absence and work may not be made up unless the school principal creates opportunities after school hours to earn credit for missed assignments. Any student having more than **ten** early check-outs or check-ins will not be allowed to make up their missed school work for that day without an excuse from their physician.

**B.** Students will have the opportunity to make up assignments with an excused absence. However, the teacher has the option to require that tests and exams be administered during a separate, teacher monitored session which must be scheduled through the respective teacher. Students will have three days to turn in missed assignments (could be longer if approved by principal).

**C.** Kindergarten with 20 unexcused absences could be withdrawn from school.

Any student having more than ten early check outs or check ins will not be allowed to make up their missed school work for that day without an excuse from their physician.

### **III. PHILOSOPHICAL BASIS**

School administrators are required under state law to enforce compulsory school attendance laws. Regular attendance by students facilitates the development of the skills and knowledge necessary to function in a modern democratic society.

#### **Student Responsibilities are:**

- To take advantage of educational opportunities by attending all classes daily and punctually.
- To provide the school with an adequate explanation and appropriate documentation indicating the reason for an absence.
- To promptly request make-up assignments for each excused absence and to complete these assignments within a reasonable length of time or a zero (0) will be issued for the assignment(s).

## Students Rights are:

- To be informed of School Board policies and individual school rules regarding absenteeism and tardiness.
- To appeal a decision pertaining to an absence.
- To make up class work with a specific length of time when there is an excused absence.
- Principal: Evaluation of student absences may be appealed to the school principal.

## TRUANCY/ABSENTISM

Truancy is the habitual and unlawful absence from school. In accordance with Alabama School Law the parent or legal guardian is responsible for requiring any student under his control or charge and under seventeen (17) years of age to attend school regularly except for legal absences as defined by Alabama School law and State Board of Education rules and regulations. Provided a student under seventeen (17) years of age becomes a truant, the parent or guardian of said student may be guilty of a misdemeanor and subject to punishment by law.

### EARLY WARNING TRUANCY PREVENTION PROGRAM TRUANCY DEFINITION

A parent, guardian, or other person having charge of any child officially enrolled in Alabama public schools (K-12) shall explain in writing the cause of any and every absence of the child no later than three (3) days following return to school. A failure to furnish such explanation shall be evidence of the child being truant each day he is absent. The child shall also be deemed truant for any absence determined by the principal to be unexcused based upon the State Department of Education's current School Attendance manual. **Seven (7) unexcused absences within a school year constitute being truant for the purpose of filing a petition with the Court.** The Interagency Committee on Youth Truancy Task Force recommendations known as the Early Warning Truancy Prevention Program timeline for reporting truancy shall define the truancy status of any student as follows:

#### 1. **FIRST TRUANCY/UNEXCUSED ABSENCE (WARNING)**

A. Parent/guardian shall be notified by the school principal or his/her designee that the student was truant and the date of the truancy.

#### 2. **NO EARLIER THAN THE FIFTH UNEXCUSED ABSENCE (CONFERENCE)**

A. The parents, guardian, or person having control of the child shall: (1) attend a conference with the attendance officer and principal or his/her designee and/or (2) participate in the early warning program provided by the juvenile court.

B. Attendance at one of these conferences shall be mandatory except where prior arrangements have been made or an emergency exists.

C. Parent/guardian shall also be provided with a copy of Alabama's compulsory school attendance laws and advised of the penalties that can be applied and the procedures that shall be followed in the event that other unexcused absences occur.

D. Failure to appear at the school conference and/or to appear at the early warning program shall result in the filing of a complaint/petition **against the parent under Code of Alabama (1975), §16-28-12(c) (failure to cooperate), or a truancy against the child, whichever is appropriate.**

#### 3. **NO EARLIER THAN SEVENTH UNEXCUSED ABSENCE, BUT WITHIN TEN (10) SCHOOL DAYS (COURT)** file complaint/petition against the child and/or parent/guardian, **if appropriate.**

#### 4. **CHILD UNDER PROBATION**

A. The school attendance officer should be notified **by the juvenile probation officer** of all children in the school system under probation supervision by the juvenile court as **consistent with state statute, Code of Alabama (1975) § 12-15-100 and 105.**

B. Where a child under probation is truant, the school attendance officer should immediately notify the juvenile probation officer.

## GUIDANCE SERVICES

The mission of Gadsden City School System’s comprehensive school counseling and guidance program is to prepare every student socially, academically, and emotionally for present and future challenges. Students are provided with opportunities to gain an understanding of self and others, to participate in educational and occupational exploration, and to pursue career planning opportunities in an environment that is safe, caring, and encouraging. Counselors work in collaborative partnerships with students, educators, parents, and community members to empower students to reach their highest level as productive members of society. The comprehensive counseling and guidance programs provided by counselors in Gadsden City Schools are based on the following tenets:

1. Every student has the right to experience respect and dignity as a human being and to benefit from the counseling and guidance services.
2. Every student has the right to participate in activities that promote self-direction and self-development.
3. Every student has the right to make choices and accept responsibility for choices made.
4. Every student has the right to participate in a comprehensive school counseling and guidance program designed to assist all students in attaining their maximum potential in academic, career, and personal/social development.

The comprehensive school counseling and guidance program is an essential integrated component of the total instructional program through which students have maximum opportunity for academic, career, and personal/social development. In this regard, the school counseling and guidance program involves a planned, purposeful, and sequential program of activities that begins in kindergarten and continues through the twelfth grade. Comprehensive school counseling and guidance programs are data-driven by student needs and provide outcome-based accountability measures that align the school counseling and guidance program with the school’s overall academic mission.

## **SPECIAL EDUCATION**

### **Philosophical Basis:**

Schools will provide appropriate special education services for any eligible student residing within the city unless the student is residing and/or receiving services in a state facility or instruction.

### **Student Responsibilities are:**

To use special education for educational and person improvement.

### **Student Rights are:**

To be informed of the least restrictive environment needed for appropriate education.

To have access to appropriate instructional designs recommended in the students individualized educational program.

**Gadsden City Schools, Special Education Department is seeking to locate children (Birth to age 21) who may need special education services. Evaluation and services are free. Please call (256) 549-2914, for further information.**

## **SCHOOL WIDE ENRICHMENT REFERRALS**

Enrichment Students are those who perform at or who have demonstrated the potential to perform at high levels in academic or creative fields when compared to others of their age, experience, or environment. These students require services not ordinarily provided by the regular school program. Students possessing these abilities can be found in all populations, across all economic strata, and in all areas of human endeavor.

Teachers, counselors, administrators, parents or guardians, peers, self, or any other individuals with knowledge of the student’s abilities may refer a student. Additionally, all 2nd grade students will be observed as potential enrichment referrals using a gifted behavior checklist.

For each student referred, information is gathered in the areas of Aptitude, Characteristics, and Performance. The information is entered on a matrix where points are assigned according to established criteria. The total number of points earned determines if the student qualifies for enrichment services. To make a referral, contact the administrators at your child’s school.

## CURRICULUM

### **Philosophical Basis:**

Student opinion regarding curriculum offerings is extremely important and, therefore, deserves careful analysis and consideration. The degree of student involvement in curriculum development is determined by the student's age, grade level and maturity. Final determination for course requirements and program consistency will rest with the professionals who are assigned the curriculum development responsibility.

### **Student Responsibilities are:**

To request participation in academic programs and extra-curricular activities compatible with their ability.

To seek assistance in course selection from informed professional in the school.

To contribute to an atmosphere free from bias and prejudice. To cooperate fully and exert every effort to achieve mastery of the basic skills.

### **Student Rights are:**

To have equal access to educational opportunities.

To receive system-wide curriculum course descriptions that will facilitate informed choices.

To receive instruction in courses of study under competent instructors in an atmosphere free from bias and prejudice.

### **Curriculum Review:**

The curriculum for each subject is based upon each subject's current Alabama State Department Course of Study where the state minimum standards are taught and extended upon. The curriculum is posted on the Gadsden City Schools website. Additionally, curriculum may be reviewed in person upon a written request to the Gadsden City Schools' superintendent.

### **Pre-AP Curriculum:**

Gadsden City middle schools are dedicated to provide the students with the best educational opportunities. It is important to ensure that students are ready for the rigors of high school. Therefore, Gadsden City middle schools offer a pre-AP/**advanced** curriculum for advanced **7th and 8th grade** students. The **advanced curriculum** will be designed to follow College Board guidelines and prepare students for the AP curriculum at Gadsden City High School. The middle school teachers will work with the high school teachers and curriculum specialists in developing a challenging curriculum which will prepare the students who will be taking AP classes. The administrators will consider student's grades, test scores, and teacher recommendations to determine placement in pre-AP classes. Middle school guidance counselors and administrators will be able to answer any questions regarding the pre-AP program.

### **AP Curriculum:**

Gadsden City High School's AP program follows the College Board guidelines and teaches the rigorous standards outlined by the College Board. The curriculum for prerequisite honors courses likewise follows College Board guidelines and extends upon the ALSDE Courses of Study's minimum standards primarily focusing on developing higher order thinking skills needed for students to succeed in AP courses.

## FREE SPEECH/EXPRESSION

### **Philosophical Basis:**

Citizens in our democracy are guaranteed self-expression under the First and Fourteenth Amendments of the Constitution of the United States; therefore, in a democratic society, one of the basic purposes of education is to prepare students for responsible self-expression.

### **Student Responsibilities are:**

To become informed of the method of grade determination in each class.

To maintain a level of academic performance equal to ability, and to make every effort to improve performance upon notification of unsatisfactory progress.

To present reports of academic performance to parents/guardians.

**Student Rights are:**

To receive the grading criteria at the beginning of each year or course.

To receive periodic progress reports.

## **GRADES**

**Philosophical Basis:**

An academic grade should reflect the teacher's most objective assessment of the student's academic achievement. Academic grades will not be used as a means of maintaining order in a classroom.

**Student Responsibilities are:**

To become informed of the method of grade determination in each class.

To maintain a level of academic performance equal to ability, and to make every effort to improve performance upon notification of unsatisfactory progress.

To present reports of academic performance to parents/guardians.

**Student Rights are:**

To receive the grading criteria at the beginning of each year or course.

To receive periodic progress reports.

## **REPORT CARDS**

It is the policy of the Gadsden City Board of Education that report cards concerning progress shall be made to the parent or legal guardian of all students at the end of each nine-week grading period. A progress report will be sent home after four and a half weeks for all students. If a school decides to send more than one progress report, that is certainly acceptable.

## **GRADING SYSTEM**

A=90-100 ♦ B=80-89 ♦ C=70-79 ♦ D=60-69 ♦ F=59 and below

## **ELEMENTARY PROMOTIONS**

In accordance with the Literacy Act, students in 2<sup>nd</sup> and 3<sup>rd</sup> grade must have a passing score on ACAP testing to be promoted to the next grade level regardless of their final report card grade.

## **GUIDELINES FOR PROMOTION/RETENTION**

### **GRADES 6 – 8**

GRADES 6 – 8: The promotion/retention policy has been developed for the purpose of complying with Alabama State Law. In keeping with this law, a student will be promoted to the next grade level when the student has successfully completed existing course work, and acquired skills and competencies determined by the following standards:

**I. CORE ACADEMIC CURRICULUM**

Students should demonstrate mastery of all core academic subjects (language arts, math, science, and social studies). Indicators of mastery include the following:

- i. Obtaining a minimum passing grade (60%) in the teacher evaluation for each C.A.C. course.
- ii. Passing the locally developed system subject exam. The semester exam at the end of the 2<sup>nd</sup> nine weeks will be averaged as ten percent (10%) of the first semester's grade average. The final exam will be averaged in as ten percent (10%) of the second semester's grade.

**II. TEACHER EVALUATION**

Failure to obtain a passing grade (60%) in two subjects may be cause for retention at present grade level.

If a student fails two subjects in 6<sup>th</sup> or 7<sup>th</sup> grade, one subject may be taken during summer school and the other subject may be made up in place of the elective during the next school term. Therefore, both classes can be made up within one year's time without the student being retained. If a 6<sup>th</sup> or 7<sup>th</sup> grade student does not attend summer school, the student will be retained since two credits cannot be made up during the school year alone. If a student fails two subjects in 8<sup>th</sup> grade, the student will be retained.

### MIDDLE SCHOOL GRADUATION

All 8<sup>th</sup> grade students must pass all six classes in order to participate in the graduation exercises. The Promotion and Retention Board Policy will be in effect for all students not participating in graduation exercises.

Official transcripts (\$2 each) are available in the Guidance Office. To be released, transcripts must be ordered on the required form. Seniors must also order a final transcript to be sent to the college they will attend after the process of transcript finalization is completed in June.

### **TEXTBOOKS**

The parent, guardian, or other person having custody of a child to whom textbooks are issued shall be held liable for any loss, abuse, or damage in excess of that which would result from the normal use of the textbooks. In computing the loss or damage of a textbook which has been in use for a year or more, the basis of computation shall be a variable of 50 to 75 percent of the original cost of the book to the local board of education. If the parent, guardian, or person having custody of the child to whom the textbook was issued fails to pay the assessed damages within 30 days after notification, the student shall not be entitled to further use of the textbooks until remittance of the amount of loss or damage has been made. State-owned textbooks are loaned for the period the student uses them and must be treated as borrowed property. ### **F.O.C.U.S.E.D. PROGRAM**

(Following Our Commitment Until Students Earn a Diploma)

The purpose of the F.O.C.U.S.E.D. program is to ensure that every student has the opportunity to become college-and-career ready. This program addresses three specific areas: attendance, behavior, and academics. After a student receives his/her second out-of-school suspension or their seventh unexcused absence, the student and parent/guardian will be required to attend an F.O.C.U.S.E.D. meeting. This meeting will be held at a designated site with the Chief of Police, District Attorney and the Superintendent of Gadsden City Schools. This meeting will be designed to assist the parent/guardian concerning the student's particular problem areas. If the student's behavioral misconduct continues after the meeting, a warrant will be filed against the parent or legal guardian according to the law.

The Alabama Mandatory Attendance Act, Alabama Code 16-28-1 et seq., mandates that a parent or guardian must enroll his or her child in school, requires that the child attends, and that the parent or guardian ensures that the child behaves while in school. Alabama Code 16-28-12(a) states that a parent or guardian must "require the child to properly conduct himself or herself as a pupil in public school accordance with the written policy of school behavior".

Violation of this law is a CRIME and is punishable up to 90 days in the Etowah County Jail with a fine of \$100. Failure to follow this law may result in the issuance of a warrant for your arrest.

### **PRIVACY AND PROPERTY RIGHTS**

**Philosophical Basis:**

Federal and state laws provided persons with a reasonable expectation of privacy in addition to freedom from unreasonable search and seizure of property. Such guarantees are not unlimited and must be balanced by the school's responsibility to protect the health, safety and welfare of all students.

**Student Responsibilities are:**

To attend school-related activities without bringing materials or objects prohibited by law or School Board policy or which detract from the educational process.

To respect the property rights of the public at large, as those of individuals, and to refrain from destruction of, or damage to, such property.

**Students Rights are:**

To maintain privacy of personal possessions unless appropriate school personnel have reasonable cause to believe a student possesses any object or material which is prohibited by law or School Board policy.

To attend school in an educational environment in which personal property is respected.

## **STUDENT RECORDS**

**Philosophical Basis:**

Student records will be maintained by the schools and will be used in making appropriate educational decisions for the students. All information regarding students and their families will be collected, maintained and distributed under safeguard of privacy. These safeguards may be obtained through informed consent, verification of accuracy, limited access, selective discard and appropriate use. The superintendent of schools will institute specific procedures for the implementation of this policy as dictated by the Right to Privacy Act.

**Student, Parent and Guardian Responsibilities are:**

To provide the school with any information that may be useful in making appropriate education decisions.

To authorize release of pertinent information to those individuals or agencies who are working actively and constructively for the benefit of the student.

**Student, Parent and Guardian Rights are:**

To inspect, review and challenge the information contained in records directly relating to the student.

To be protected by legal provisions which prohibit the release of personally identifiable information to anyone other than legally authorized persons without the consent of the parent(s), guardians or eligible student.

## **FIELD TRIPS**

All Gadsden City School field trips must have prior approval of the superintendent based on the following:

Local – 30 days prior

In State (1 day) – 30 days prior

In-State (overnight) – 30 days prior

Out of State (1 day) – 30 days prior

Out of State (overnight) – 45 days prior and requires Board approval

**\*Only students enrolled in the class or program scheduling the field trip are permitted to participate.**

**Pre-school children, siblings, or guests are not permitted to accompany teachers, parents or other chaperones on the trip.**

**\*Local field trip costs should be reasonable and affordable to the student population. To the extent feasible, steps should be taken to ensure that field trip costs are not a deterrent to eligible students.**

**\*Incomplete or late field trip requests may result in requests being denied.**

The Gadsden City Schools Field Trip Form must be submitted to the school administrator for approval before being sent to the Central Office for final approvals. Arrangements must be made well in advance to

ensure appropriate accommodations for qualifying students are met. The Field Trip Request Form for ALL field trips must be accompanied by a detailed itinerary and other pertinent information, including complete plans for transportation, chaperones and accommodations, as applicable. No financial commitments shall be made and no money shall be collected for field trips until appropriate approval has been obtained. The recommended ratio for chaperones is **one** chaperone for every **fifteen** elementary school students and **one** chaperone for every **twenty** secondary students unless prior approval is granted by the designated Central Office Director. **All field trips shall be supervised by school personnel.** School Nurses **MUST** be informed of the field trip and be present on field trip, if applicable. Students will not be permitted to take part in field trips or off campus activities without first submitting written authorization on a system form that has been completed and signed by the student's parent or legal guardian. Students must abide by school rules and policies while on the field trip. **No field trip should ever be taken before the final approval request has been returned to the school.**

A Safety Plan should be developed for each field trip activity and a copy should be maintained in the school office. The plan should include:

- 1) list of students on the trip, with current emergency phone numbers
- 2) permission to travel forms signed by parent/guardian
- 3) medical information pertaining to the trip participants who require specific medical assistance
- 4) trip itinerary
- 5) carrier information, if applicable

## **STUDENT GRIEVANCES**

The belief of the Gadsden City Board of Education is that the students have both the right and responsibility to express school-related concerns and grievances to the faculty and the administration. Therefore, students shall be assured the opportunity for an orderly presentation and review of grievances.

To be granted discussion and consideration of a grievance, any student or group of students should request an appointment with the principal which will not interfere with regularly scheduled classes or school-related activities. The faculty and administration will make an honest effort to resolve student grievances at the most immediate level of supervision.

## **FORMAL DISCIPLINARY ACTIONS AND PROCEDURES**

### **AFTER-SCHOOL DETENTION HALL**

The principal or his/her designated person(s) has the authority to assign students to a designated room (detention hall) on campus at the end of the regular school day for a reasonable and specified period of time as a disciplinary action. The parent(s) or guardian is responsible for providing transportation in these cases. A reasonable attempt will be made to notify the parent(s) or guardian prior to the assignment of a student to detention hall. If the parent(s) or guardian can be notified on the day of the misbehavior, the student will be assigned on that day; if not, the student will be assigned following notification of parent/guardian.

### **DISCIPLINARY PROBATION**

Disciplinary probation is a period of time specified by the principal or his designated person(s) during which a student must correct his behavior while abiding by all regulations that govern student behavior. The principal or his designated person(s) has the authority to place a student on disciplinary probation for a reasonable and specified period of time. The staff members involved in the action will assist in monitoring the student's adjustment to the school environment.

### **IN-SCHOOL SUSPENSION PROGRAM**

In-school suspension is a structured disciplinary action in which a student is isolated or removed from regular classroom but is not dismissed from the school setting. The principal or his designated person(s) has the authority to assign students to the in-school suspension program for a reasonable and specified period of time. The principals and their staffs should determine the scope of in-school suspension in their respective schools.

### **WORK ASSIGNMENT**

The principal or his designated person(s) has the authority to assign supervised activities related to the upkeep and maintenance of school facilities as a disciplinary action for a reasonable and specified period of time. Work assignments are not intended to interfere with any student's regular class schedule. The parent(s) or guardian will be responsible for providing transportation in these cases. The parent(s) or guardian will be notified prior to the student's placement in a work assignment.

### **SCHOOL BUS SUSPENSIONS**

The principal or his designated person(s) has the authority to deny a student the privilege of riding a school bus based on the misconduct of the student. This action will be for a reasonable and a specified period of time.

### **PHYSICAL RESTRAINT**

The principal or his designated person(s) has the authority to use reasonable physical force to restrain a student from abusing or attempting to abuse himself, other students, teachers, administrators, parents, guardians, or other staff members. This action may be taken when it is necessary to maintain discipline or to enforce school rules. This must be done in a reasonable fashion and in compliance with Alabama State Law to protect all parties involved. Law enforcement officials may be called to assist in the enforcement of this action.

### **HOME REFERRAL**

Home referral is defined as the temporary removal of a student from classes until a parent/guardian meets with the principal or his/her designated person(s). The student will be eligible for readmission to class upon completion of the conference. Failure to comply with the home referral may result in more serious disciplinary actions being taken.

### **SUSPENSION**

The Gadsden City Board of Education defines suspension as "the temporary removal of a student from school for violation of school policies, rules, or regulations, or otherwise causing interference with or disruption of the orderly operations of the school." The school principal or his designated person(s) will have the authority to suspend a student from school. The suspensions will be enacted in accordance with the prescribed policy procedures. (See "Procedures for the Administration of Suspension and Expulsion.")

### **EXPULSION**

Expulsion is defined as "the removal of the right and obligation of a student to attend public school under conditions set by the School Board." The principal has the final authority to recommend to the Superintendent's office the expulsion of a student.

### **SCHOOL BOARD HEARING OFFICER**

The Superintendent or his designated person(s) will review recommendations from principals for expulsions and request a conference with the person(s) involved, which may include principals, teachers, parents, guardians, and students.

### **ADMINISTRATIVE HEARING-EXPULSION**

An administrative hearing involving expulsion recommendations will be conducted by the Superintendent and/or his designated person(s) to determine whether the expulsion recommendation is valid for presentation to the Board of Education.

### **SCHOOL BOARD HEARING**

The School Board hearing involving expulsion recommendations will be conducted in accordance with School Board policy. (See "Hearing" in "Procedure's for the Administration of Suspension and Expulsion.")

## **PROCEDURES FOR THE ADMINISTRATION OF SUSPENSION AND EXPULSION**

A student recommended for suspension or expulsion will be made aware of the charges and given an opportunity to respond. His parent(s) or guardian will be sent written notification of the action that will take place. Any time a referral that warrants suspension or expulsion is submitted, a reasonable effort will be made by the school to either contact the parent(s) or guardian by a telephone call made during school hours or by written notice delivered by the student or the U.S. mail.

The student is responsible for notifying his parent(s) or guardian of all written communications from school. Failure to do so may result in further disciplinary action.

## **SUSPENSION OF STUDENTS**

### **AUTHORITY**

The school principal or his designated person(s) has the authority to suspend students from school.

### **NOTIFICATION**

Prior to suspension the student will be made aware of the charges and given an opportunity to respond to them. Written notice will be sent to the parent or guardian stating the reasons such action was taken. Immediate suspension of a student is justified when the student's presence would threaten himself, endanger school property, or seriously disrupt the orderly educational process. Principals are given the authority to have law enforcement remove uncooperative students. If immediate removal is necessary, the parent or guardian will be notified by phone or by school personnel. The necessary notice and conference will follow within twenty-four hours of the action.

### **LENGTH**

The suspension of a student is not to exceed five (5) days except as follows:

1. Any student suspended more than one time during a school year may be referred to the Superintendent's office for a conference prior to the student's readmission to school. Under this disciplinary action, the referral to the Superintendent's office and readmission to school must take place within an eight (8) day time frame. The referral to the Superintendent's office will not alter the number of days that the student is suspended by the principal or his designated person(s) unless extenuating circumstances agreed upon by the Superintendent and principal warrant such an alteration. For students who are suspended and referred to the Superintendent's office, the Superintendent or his designated person(s) will schedule a conference with the parent(s)/guardian and the student within seven (7) days. The problem will be resolved within eight (8) days unless extenuating circumstances, such as physical or mental examination or incarceration by court action, warrant additional time.
2. Any student who has been determined eligible for special education may be suspended or expelled, but all procedural safeguards set forth in federal and state statutes and regulations must be adhered to.
3. If an incident or violation causes the principal or his designated person(s) to recommend the expulsion of a student, the suspension shall remain in effect until such time that action upon the recommend expulsion is taken as outlined.
4. If a student is suspended from school and is not referred to the Superintendent's office, he/she must comply with the full length of the suspension unless the principal approves an alternative.

### **TERMS**

1. If a student attends a parent school and a special school and is suspended from either school, the suspension will include both schools.
2. During the suspension period, suspended students cannot attend school functions or enter school property for any reason.
3. When a student is suspended, his teacher must be notified concerning the date of suspension and the number of days suspended.
4. A student who has been suspended from school is not eligible to enroll in any other school in the system until such time that he is reinstated in the school from which he was suspended.

### **READMISSION**

When a student returns to school after suspension, the readmission must be preceded by a conference with the principal or his designated person(s). The conference must include the parents(s) or guardian unless

otherwise approved by the principal. If the student is returning after a conference with the Superintendent or his designated person(s), the Superintendent or his designated person(s) may choose to attend the readmission conference.

## **EXPULSION OF STUDENTS**

In accordance with the Alabama state law requiring compulsory attendance, the Gadsden City Board of Education makes the final disposition of an expulsion recommendation.

The school principal is initially responsible for determining that an offense for which expulsion may be warranted has been committed. The procedures listed must be followed:

### **NOTIFICATION**

1. Immediately following any incident or violation of school regulations which may result in a recommendation by the principal to expel a student, the principal is authorized to suspend the student for as many as ten (10) school days pending a hearing for expulsion. The principal will notify the student and the parent(s) or guardian of the suspension and will also notify the student and parent(s) or guardian that the information or data obtained by the principal's investigation of the incident will be made available. This notice should be given to the parent(s) or guardian prior to the expulsion recommendation.
2. After the completion of the full investigation of a violation which may result in a recommendation for expulsion, the principal will, based on the facts, specify whether to recommend student expulsion. He will immediately notify the student and the parent(s) or guardian of the findings and the reason for the recommendation. The principal will attempt to give this notice to the student and parent(s) or guardian in a personal conference. He will also confirm this notice in a letter to the parent(s) or guardian. The principal's conclusions should be based on the documentation of the facts pertaining to the incident. Said documentation will include all information available including, but are not limited to, the following categories:
  - A. an operational definition of the offense(s)
  - B. a detailed description of the offense(s)
  - C. the time, date and location of the alleged offense(s)

The above documentation will be forwarded to the Superintendent or his designated person(s).

After a review of the principal's recommendation, the Superintendent or his designated person(s) will, within the suspension period imposed, request a conference with the parent(s) or guardian of the student. The purpose of the conference is:

1. To explain the procedure orally and in writing to the parent(s) or guardian and student.
2. To determine if a mutually agreeable alternative to expulsion is appropriate. Such an alternative may be:
  - A. Placement in an alternative education center will be subject to the System Alternative School Committee, and when necessary, the IEP team recommendation. The date of admission to the center and the length of time spent at the center will be determined through the admission procedures.
  - B. Placement of special education student on a partial day schedule in an alternative school or in-home study will be subject to IEP team recommendation and the System Alternative School Committee.
  - C. Voluntary withdrawal of the student from the Gadsden City system for a period of not less than one (1) semester and not more than one (1) regular school term not including summer school.
  - D. Placement of the student in a juvenile facility by a governmental agency independent of the Gadsden City School System. The School Board should concur that the action taken is adequate as an appropriate remedy for the problem. Under this arrangement, there must be mutual agreement between the School Board and the agency in terms of the extent to which the action resolves the problem. The School Board, in compliance with civil law, will have the right and responsibility to determine the action which constitutes the resolution of the problem.

## **HEARING**

1. Upon receiving a school principal's recommendation to expel a student, the Superintendent or his designated person(s) will provide the parent(s) or guardian an opportunity to request that the matter be resolved at an administrative hearing conducted by the Superintendent or his designated person(s).
2. During the administrative hearing, the principal or the Superintendent may conclude that disciplinary action other than expulsion is warranted because of extenuating circumstances. If the Superintendent or his designated person(s) agrees that extenuating circumstances exist, the student can be readmitted to school. Re-admittance is subject to the Superintendent's approval.
3. If the matter is not resolved at the administrative hearing and the Superintendent makes the decision to recommend expulsion of a student, he will place the matter on the agenda for the next School Board meeting, unless such a setting would be too soon to provide time for the parent(s) or guardian person(s) and student to comply.
4. The Superintendent or his designated person(s) will give notice by registered mail or hand delivery to the parent(s) or guardian that expulsion is recommended. The Superintendent's notice will state the exact time and place of the hearing and inform the students and parent(s) that the student has a right to attend the hearing to be represented by an attorney or other representative, and to present matters relating to the recommended expulsion.
5. This notice from the Superintendent will be mailed at least ten (10) days prior to the meeting at which the student's expulsion will be recommended. In the notice, the student and the parent(s) or guardian will be informed that a desire to present matters at the hearing must be made known to the Superintendent within five (5) days after receipt of the notice, and that failure to express such a desire within the prescribed period of time will waive the right to present such matters.
6. At the School Board meeting in which expulsion of a student will be considered, the Board will first give to the principal, the Superintendent, and to any witness who might present testimony relevant to the recommended expulsion an opportunity to describe the incident or violation and to report findings which resulted in the recommendation. Each school official or witness will be limited to a reasonable amount of time in describing the incident or violation, or in presenting other testimony.
7. Upon completion of the presentation of findings by school officials and relevant testimony by other witnesses, the student or his representatives will be given a reasonable amount of time to present any matters which the student or his representatives consider relevant to the student's expulsion.
8. Immediately following the presentations by the student or his representatives, the Superintendent will recommend to the School Board the formal action which he deems appropriate and just. Thereupon, the School Board is to expel the student, the action will specify a period of time for the expulsion.

## **TERMS**

1. The expulsion of a student will prohibit the student from attending any school in the Gadsden City School System during the period of the expulsion.
2. A student may lose his academic credit if:
  - A. The student is expelled prior to taking nine-week or semester examinations.
  - B. The student is removed from the school attendance roll through the expulsion process.
3. A student will not be allowed to make-up work if he is expelled from school.
4. An expelled student is prohibited from being on any school system property during or after school hours (including extra-curricular activities such as athletic events).

## **SECONDARY ALTERNATIVE PROGRAM**

1. The Gadsden City Alternative Program will have complete authority over students and classroom instruction during student placement. Students must comply with all alternative school rules and guidelines. These rules will be reviewed with students and parents during the student's initial intake meeting.
2. Students must follow all rules/policies of the Gadsden City Board of Education.
3. Students are not permitted to drive to school during alternative placement. Arrangements must be made by the parent/guardian.

4. Students are not permitted to bring cell phones to school while completing alternative placement.
5. Students not complying with the above will be subject to immediate out-of-school suspension, extra days/time added, or expulsion.
6. All students are to report by 7:45 a.m. with all books and materials (pen, pencil, paper, etc.). Teachers are not responsible for student materials or books. Alternative school instructors will provide daily instruction and assignments to students in each core subject area.
7. Students are responsible for completing all assignments during alternative school placement.
8. If a student is tardy or absent from school, the front office staff must be notified by a parent before 8:00 a.m. In case of an emergency causing tardiness or absence, the school administration will judge whether or not time missed will need to be made up.

## **CLASSIFICATION OF VIOLATIONS**

Violations of the Code of Student Conduct are grouped into three classes-minor, intermediate and major. Before determining the classification of a violation, the principal or his designated person(s) will implement the disciplinary procedure.

Each classroom teacher will deal with general classroom disruption by taking in-class disciplinary action, by making a personal call to the parent(s) or guardian when feasible, and/or by scheduling conferences with the parent(s) or guardian and other school staff. Only when the action taken by the teacher is ineffective, or the disruption is severe, should the student be referred to the principal or his designated person(s). Failures to bring notebook, pencil, books, or required materials and equipment to class, failure to do homework, or failure to do work in class are not cause for disciplinary referrals; however, defiance of a teacher in regard to these areas is cause for disciplinary referral. Parents and guardians should be notified by the teacher of students who consistently exhibit poor work habits, and/or these students should be referred to a guidance counselor.

An alternative curriculum is also available for the single parent. Attendance and participation will be permitted until such time the student's physician determines that such endangers the health and safety of the student. Although school officials cannot exclude a pregnant student from enrollment in school solely because of pregnancy, they do have the authority and responsibility to discipline the student for any action or misconduct on school grounds which are either disruptive or in violation of school regulations. If the pregnant student chooses to remain in school during semester in which she expects to deliver the child, her attendance will be governed by the same attendance policies, rules, and regulations which govern other students. Pregnant teens may qualify for Step Academy, Virtual School, or Homebound Services on a case by case basis based on medical and family needs. The student will be able to earn course credit only if minimum course requirements are met, as determined by the principal through consultation with the student's teacher. ## **5. DRUG ABUSE**

## **6. STUDENT SURVEYS**

Periodically it is necessary for students to participate in surveys to collect information for needs assessment for various programs.

## **7. DRESS CODE**

The Board recognizes that dress and grooming affect the behavior of students and that there are sanitation and safety factors directly related to proper dress and grooming. The manner in which a student dresses for school each day is primarily the responsibility of the student and his or her parents. However, when a student's style of dress or appearance presents a danger, causes an interruption of the instructional program, or violates the dress code he or she will be denied class admission until the condition is corrected. Therefore, the Board establishes the following expectations for student dress and appearance in order that school administrators, teachers, and parents will have clear dress and grooming guidelines to ensure that rules and discipline can be enforced consistently.

The School Board’s position is that sexual harassment is a form of misconduct that undermines the learning opportunities of all students. No student – either male or female – should be subject to unsolicited and unwelcome sexual overtures or conduct, either verbal or physical. Sexual harassment does not refer to occasional compliments of a socially acceptable nature. It refers to behavior that is not welcome, that is personally offensive, that debilitates morale, and that, therefore, interferes with the learning process. Such behaviors may result in disciplinary action up to and including expulsion. Students committing any acts of sexual harassment will be referred for counseling to assist him/her in correcting this behavior. To ensure that students receive a quality education and that employees are able to work in a professional and intellectually stimulating environment, it is the policy of Gadsden City Schools to provide all students and employees with the opportunity to access a variety of technology resources.

The creation of a large and varied technology environment demands that technology usage be conducted in legally and ethically appropriate ways, consistent with the instructional goals of the Gadsden City Schools.

Thus, it is the intention of the Gadsden City Schools that all technology resources will be used in accordance with any and all school system policies and procedures, as well as local, state and federal laws and/or guidelines governing the usage of technology and its component parts. Additionally, it is implied that all students and employees of the Gadsden City Schools will use the provided technology resources so as not to waste them, abuse them, interfere with or cause harm to other individuals, institutions, or companies. Gadsden City School technologies may not be utilized for personal gain.

Students and employees of the Gadsden City Schools must not attempt to modify technology resources, utilities and/or configurations, or change the restrictions associated with their accounts, or attempt to breach any technology resources security system, including internet content filtering, either with or without malicious intent.

The Principal of each school will be responsible for establishing specific practices to enforce this policy at individual schools.

The legal and ethical practices of software and hardware usage will be conveyed to all students and employees in the system (i.e.during computer lab orientation; during faculty meetings, etc.)

All Gadsden City Schools technology resources, regardless of purchase date or location, are subject to this policy.

Any questions about this policy, its interpretation, or specific circumstances, shall be directed to the Systemwide Technology Coordinator. Violators of this policy will be handled in a manner consistent with comparable situations requiring disciplinary action, including, but not limited to: (1) loss of access; (2) additional disciplinary action to be determined at the individual school in line with the Code of Student Conduct for the Gadsden City Schools or other board policy; and (3) legal action, when applicable.

## **ELECTRONIC MAIL**

The Gadsden City School System provides access to electronic mail for many of its employees and **students**. That access is for their use in any educational and instructional business that they may conduct. Staff personal use of electronic mail is permitted as long as it does not violate Gadsden City School policy or adversely affect others. Contents and usage of electronic mail shall be the property of the Gadsden City School System.

Electronic Email is available for support of educational, instructional, extracurricular, and administrative activity. With that purpose in mind, electronic mail accounts are available to students according to the following guidelines:

- a. Students receiving email accounts, Google Apps for Education, must use these accounts for instructional purposes only.
  - i. Students are responsible for not sharing the password for their account with others. Students will be held responsible if another person utilizes their account.
- b. All student email accounts are subject to monitoring, archiving, and acceptable use policies.
- c. The Board cannot guarantee the privacy, security, or confidentiality of any information sent or received via electronic mail. Contents of electronic mail cannot be considered private. All contents of electronic mail are the property of the Board. Students will not be allowed to use the district e-mail account to communicate outside the school district.
- d. Students receiving email accounts must use these accounts for instructional purposes only and, while at school, should only use mail accounts provided by the district.
- e. Students assigned an email account will use that account as long as they are attending a school within the Gadsden City Schools.

## **INTERNET**

Information from electronic sources alters the educational environment by opening unlimited resources. The intent of the Gadsden City Schools is to provide access to resources available via the Internet with the understanding that faculty, staff, and students will access and use information that is appropriate for their various curricula. The Gadsden City Schools have taken precautions to restrict access to inappropriate materials. However, on a global network it is impossible to control all materials. We believe that the valuable information and interaction available on this worldwide network far outweighs the possibility that users may procure material that is not consistent with the educational goals of the District. Internet access is provided to allow students to conduct research and to communicate with others. Parents of students under the age of 17 may request that their child not be allowed to independently access the Internet by notifying the principal in writing within fifteen (15) school days of the student's first day of attendance each school year. This restriction will apply to the student independently operating any Board owned, leased, or controlled technology resource to access the Internet. It does not prohibit the student from viewing Internet sites presented by school personnel or by other students as part of a lesson, or from using Internet-hosted software used by the school. In these cases, school personnel will take appropriate and reasonable steps to, as much as possible, restrict the student from using computers to access the Internet independently.

All school rules and guidelines for appropriate technology usage shall apply to usage of the Internet. Because communications on the Internet are, often, public in nature, all users should be careful to maintain appropriate and responsible communications.

To maintain system integrity and to insure that the system is being used responsibly, the Gadsden City Schools reserve the right to review files and network communications. Users should not expect that files stored on the Gadsden City Schools's servers will be private.

All home pages (starting point for a group or individual directory of Internet sites and/or other information) will be reviewed by the System Technology Coordinator for approval before being publicly posted.

Internet access is a privilege, not a right. All Internet users are expected to act in a considerate and responsible manner.

The following are not permitted on any Gadsden City Schools Network or the Internet:

1. sending, displaying, or downloading offensive messages or pictures
2. using obscene language
3. harassing, insulting, or attacking others
4. damaging computers, computer systems, or computer networks (this includes changing workstation and printer configurations)
5. violating copyright laws
6. using other user passwords
7. trespassing in other user files, folders, or work,
8. intentionally wasting limited resources, or
9. plagiarizing.

## **PLAGIARISM**

Definition: To steal and pass off (the ideas or words of another) as one's own: use (another's production) without crediting the source. (n.d.). Retrieved Oct. 28, 2011, from Merriam-Webster Online Dictionary Website:

Plagiarism is expressly prohibited by students and staff of the Gadsden City Schools.

## **INTERNET SAFETY**

1. Students are not to access inappropriate matter on the Internet and World Wide Web.
2. Students are not to use school system equipment or resources to electronically communicate with individuals for non-instructional purposes. This includes e-mail correspondence, chat rooms, instant/real time messenger services, or any other form of electronic direct communication. Such contacts may only be made with the approval and supervision of school system personnel and be conducted solely for instructional purposes.
3. Students are prohibited from participating in any unauthorized access (“hacking”) of computer systems or any other unlawful technological activities.
4. Students and school system employees are prohibited from the unauthorized electronic disclosure of personal student information such as name, home address, phone number, age, or race.
5. The Gadsden City Schools have taken filtering and supervisory precautions to restrict intentional or accidental access to inappropriate sites on the Internet.

**Ref: TITLE XVII – Children’s Internet Protection Act.**

## **PHOTOGRAPHIC AND VIDEO IMAGES**

Periodically, photographs and video of student activities may be placed in public venues, including but not limited to, newspaper, magazine, websites, Facebook, and cable television channels. Full names are not typically included with these images, If there is any reason a parent DOES NOT want images (Photo or Video) of their child to appear, they must annually notify the school principal and submit a request for non-participation of these types of activities. Specific reasons are not required of the requesting parent. NOTE: The school district does not have distribution control of photos or videos taken at public activities such as athletic events.

## **ARTIFICIAL INTELLIGENCE (A.I.)**

*This section outlines the acceptable use of artificial intelligence (AI) tools and applications within Gadsden City Schools to ensure their safe, ethical, and responsible use.*

Gadsden City Schools acknowledges that technology is ever-changing and has a tremendous impact on our global society, local community, and classrooms. Artificial intelligence (AI), including generative forms of AI, is becoming more a part of our everyday lives. It is our responsibility to educate and train students to utilize AI in an ethical and educational way. Therefore, Gadsden City Schools is not banning the student or teacher use of AI, but each student will need to be aware of the limitations and guidelines of its usage:

- Gadsden City Schools student email accounts and chromebook access to specific open AI software, such as ChatGPT, are blocked due to data and security concerns. Any misuse of AI tools and applications, such as hacking or altering data, is strictly prohibited.

- Teachers may allow the use of AI for curriculum purposes. Access to specific websites will be granted on an as needed basis, adhering to specific data and privacy guidelines regarding age restrictions and usage.

- College Board and Dual Enrollment college and university classes may have additional restrictions and limitations regarding the use of Artificial Intelligence.

●Students must acknowledge the use of AI in any capacity related to their school work: text, image, multimedia, etc.

○The use of AI could be subject to disciplinary action based on the Gadsden City Schools Code of Student Conduct policy.

●Students should acknowledge that AI is not always factually accurate, nor seen as a credible source, and should be able to provide evidence to support its claims. All users must also be aware of the potential for bias and discrimination in AI tools and applications.

**Gadsden City Schools**  
**Bring Your Own Device (BYOD) Policy**

The goal of BYOD programs is to expand opportunities for 21<sup>st</sup> Century learning. However, using personally owned devices at school is a privilege, not a right. This privilege may be revoked for the student body as a whole or for students individually at the discretion of the administration. Therefore, it is important that students use their devices responsibly, respect the property of others, and demonstrate that this use benefits them academically and helps them develop into good digital citizens.

**Devices Permitted:**

The following devices are permitted. Items may be added or deleted at the discretion of the school administration.

- Laptops, netbooks, Chromebooks
- Tablets (iPad, Xoom, Galaxy, etc.)
- iPod Touch, Smartphone, Droid, Blackberry
- eReader/Tablets – (Kindle, Nooks, etc.)

**Rules and Conditions:**

The following rules and conditions are specific to our school’s BYOD program. All other school/District rules and policies also apply, including, but not limited to, the Code of Conduct and Technology Appropriate Use Policy (AUP).

**Where/When/Storage**

1. Students may only use their device in the classroom when instructed to do so by their teacher.
2. Students may not use their device to update personal social media sites/accounts during school hours. Students are not to call, email, text message, or electronically communicate with others from their personal device, including other students, parents, guardians, friends, and family during the school day.
3. Students may not use their device in common areas (hallways, cafeteria, etc.) unless specifically instructed to do so by a teacher or school administrator.
4. Students may only use their device in the library/media center with the permission of the media specialist.
5. Students may not use their device while on school buses without permission from the supervising teacher.
6. Students should not ask teachers or staff to ‘hold onto’ or store their device.
7. Administrators should not be asked to retrieve devices left in school lockers during or after normal school hours.

**Network/Internet Access/Electrical**

1. Students should always use the school's wireless network, not personal data plans, to access the web. BYOD privileges may be revoked for students found to be visiting websites which are blocked by the district's filter.
2. No guarantee is made that the school's wireless network will always be available. Network outages may occur without notice. In addition, no quality of wireless signal is promised. Signal strength may vary depending on the location in the school and the number of devices simultaneously connecting to the network.
3. Students should bring devices fully charged to school. Access to electrical outlets for charging should not be expected.

### **Theft/Loss /Damage/Troubleshoot/Inspection**

1. The school/district will not be held financially responsible for lost or stolen devices, nor are school administrators responsible for conducting searches for lost/stolen devices. It is recommended that the device locator feature be enabled if possible.
2. The school/district will not be held responsible for any physical damage or data loss, including damage/data loss resulting from connecting devices to the school's wireless network or power outlets.
3. School/district staff, including technology staff, will not configure, troubleshoot, or repair student devices.
4. School officials may read, examine, or inspect the contents of any personal device upon reasonable suspicion that the contents or recent utilization of the device contains evidence of a violation of these or other rules and policies, as well as any local, state, or federal laws.

I have read, understand, and agree to abide by these rules and conditions. I understand that bringing my device is a privilege, not a right; and that this privilege can be revoked for violations of these rules or any other Code of Conduct violation.

### **TRANSPORTATION REGULATIONS**

1. Students should be at the bus stop at least five minutes before the scheduled pick-up time.
2. Students should board the bus only when signaled by the bus driver.
3. Students should remain seated when the bus is moving.
4. Students should follow all bus safety rules and be aware that eating, drinking, excessive talking, throwing objects, fighting, and any other violation and/or disruptive behavior while on the bus is prohibited.
5. Students should only get off at approved drop-off bus stops unless prior written permission by the parent/guardian for a different drop-off is given to the school official.
6. The school principal or designee has the authority to suspend a student from the bus for a major violation.

Parents/guardians are responsible for their children on the way to the bus stop, at the bus stop, and on the way home from the bus stop. Children should arrive at their bus stop at least five minutes before the established pick-up time. Parents/guardians are responsible for children once they arrive at the afternoon bus stop and should plan to meet the bus or arrange for a caretaker or other responsible adult to accompany the children safely home or to the child care provider. Parents/guardians should instruct their children where to get off the bus and familiarize them with unique aspects of the bus stop.

**Please note: Bus operators do not know all of the possible contacts who might be picking up a student on a particular day, and are unable to match each child with a specific adult. When students get off the bus, they are entirely in the care of the parent/guardian or other approved contact. They are on their own to walk home if no parent/guardian or caregiver is present. Therefore, students will use the same stop**

**for both mornings and afternoons.** If you usually meet your child at the bus stop and cannot make it on a given day, call the school well before dismissal time and ask that your child be kept at the school to be picked up rather than placed on the bus at the end of the school day. This is an emergency back-up plan that should be used only in those rare circumstances when you are unexpectedly and unavoidably delayed in making it to the bus stop. Keep the school phone number in your cell phone or other convenient place should an emergency arise. Establishing a buddy plan for your child with an older sibling or classmate is advised, in case your child arrives at the afternoon bus stop without meeting you or another contact. Bus schedules are approximate and may vary due to traffic, weather conditions, and student changes. It is best to be present at the bus stop ahead of the normal arrival time.

If you want your child to be supervised by an adult while walking home from the afternoon bus stop, we recommend the following:

- \* Plan for you or another contact/caregiver to be at the bus stop ahead of the normal drop-off time, as the bus may arrive early on any given day.
- \* Plan in advance for another adult who is normally at the bus stop to care for your child if you are not there.
- \* If you have an emergency and cannot make it to the bus stop, call the school well before dismissal time, so your child will be kept at school for pickup rather than put on the bus. Be sure you always have the school phone number with you in case of the emergency.
- \* Be sure your child knows and can identify the proper bus stop and understands not to get off the bus at any other stop.
- \* Arrange for an older student “buddy” to walk home with your child, or allow your child to stay at the older student’s house until you are able to pick up your child. Be sure to work with the other student’s parent/guardian when arranging this plan.
- \* Be sure your child knows to tell the bus driver, before getting off the bus, if something is “not right.” This includes a parent/guardian or caregiver who is usually at the stop not being visible; missing the stop; or getting on the wrong bus and not recognizing any stop or familiar adults.

**Once the student gets off the bus, only you can ensure your child is appropriately supervised.**

Buses follow a routine schedule and typically arrive at their stops within a few minutes of the schedule. Except for snowy or icy mornings, parents and students should wait at the bus stop for at least 15 minutes past the scheduled arrival time before calling the appropriate school. On days of inclement weather, students and parents should expect some delays due to road and traffic conditions.

During snowy or icy weather conditions, school officials may close school all day, delay opening by two hours, or close early. Parents should have contingency plans in place to take care of children on such days.

These decisions are announced on local radio and television stations, and respective school websites.

### **Delayed opening**

If the opening of school is delayed, buses will pick up students at their normal stops two or three hours later than usual. Typically, such decisions are announced prior to the effected school day or before the start of the school day.

Because weather or road conditions may deteriorate further after a delay is announced, parents and students should continue to monitor media announcements for a possible change from a delay to a closure.

### **Early closing**

When a snow storm or other weather-related emergency begins in the morning after students arrive at school, the school system may find it necessary to close schools early. This ensures that students will arrive home safely in a reasonable amount of time. When this occurs, students will be taken to their respective bus stops once school is dismissed.

## **DISCIPLINARY ACTIONS**

Safety is a system priority; therefore, proper conduct on school buses by all transported students is required. Transportation is a privilege granted to students, contingent upon the exhibition of proper behavior. Each student and their parent/guardian is responsible for the behavior of the student before, after & while on school provided transportation.

A student's privilege to ride the school bus or in school provided transportation may be suspended or revoked. The system does not provide alternative transportation for a student that has lost his/her riding privilege. Decisions regarding special education students will consider their IEP needs/requirements.

Parents/guardians are also responsible for their child's behavior while they are at their designated bus stop.

Discipline will be determined based on the severity of the offense and could range from a warning to riding privileges being revoked.

When suspended, the student is not allowed to ride any school system bus during the specific time period of the suspension.

## **PHOTOGRAPHIC AND VIDEO IMAGES**

Periodically, photographs and video of student's activities may be placed in public venues, including but not limited to, newspaper, magazine, websites, Facebook, and cable television channels. Full names are typically not included with these images. If there is any reason you DO NOT want images (photo or video) of your child to appear, annually notify your school principal and submit a request for non-participation for these types of activities. Specific reasons are not required of the requesting parent. NOTE: The school district does not have distribution control of photo or videos taken at public activities such as athletic events.

## **BAD CHECK POLICY**

The Gadsden City Board of Education has an agreement with Envision for the collection of all returned checks issued to all locations. The Board will require the following on all checks:

- Full Name
- Street Address
- Home Phone Number
- Drivers Licenses Number (with State)

If your check is returned, it will be automatically forwarded by the Gadsden City Board of Education's bank to Envision. Envision will contact you in order to collect the face amount of the worthless check plus a collection fee. The amount of the collection fee is currently \$35.00. This fee is subject to change as allowed by law. If you do not properly respond to Envision, or Envision is unable to contact you, they will re-present your check to the bank electronically. Fees could also be deducted from the same account.

## **EARLY DISMISSAL/TEMPORARY CLOSING OF SCHOOLS**

The Superintendent of Education has the authority to temporarily close schools or dismiss early in the event of severe weather, inadequate heat, or other conditions, which threaten the safety and well-being of the student. Parents should listen to local radio stations for information. Also, make sure a current telephone number is registered with your child's school. This will allow Gadsden City's notification system to contact a parent/guardian in the event of school closings and/or early dismissals. Please arrange for your child to be picked up at the specified time given when closings arise. Every child will need to be signed out by their parent, guardian, or the designee of the parents. If an early dismissal occurs, all after-school activities will be canceled.

## **AUTOMATED EXTERNAL DEFIBRILLATOR (AED) POLICY**

An automated external defibrillator (AED) is used to treat victims who experience sudden cardiac arrest (SCA). It is only applied to victims who are unconscious, not breathing and showing no signs of circulation, such as normal breathing, coughing, or movement. The AED will analyze the heart rhythm and advise the operator if a shock-able rhythm is detected. If a shock-able rhythm is detected, the AED will charge to appropriate energy level and advise the operator to deliver a shock. It is the policy of Gadsden City Board of Education that an automated external defibrillator (AED) be placed and maintained at each school. The Superintendent will designate at least one employee at each school to be trained in the use of an AED. Each building-based user shall be made aware of the location of the device in the building and shall maintain proper CPR/AED certification. All AEDs will be maintained and tested according to manufacturer's operational guidelines by the Gadsden City School System's Lead Registered Nurse. The local fire department and medics will be kept informed about the presence and location of the AEDs in school buildings. A licensed physician or other medical professional is to be included in creation or modification of any AED program or guidelines related to the program.

### **ANAPHYLAXIS PREPAREDNESS PROGRAM POLICY**

It is the policy of the Gadsden City School System that the Anaphylaxis Preparedness Program be implemented as part of the school health services. The program shall incorporate three levels of preparedness:

1. Primary Prevention: Education programs that address food allergies and anaphylaxis through both classroom and individual instruction for staff and students.
2. Secondary Prevention: Identification and management of chronic illness which could lead to anaphylaxis.
3. Tertiary Prevention: The development of a planned response to anaphylaxis-related emergency in the school setting.

Each school campus, in collaboration with a supervising physician, shall develop and maintain a protocol for emergency response that shall include a supply of premeasured auto-injectable epinephrine to treat a life-threatening allergic reactions. *Gadsden City School System will stock epinephrine on our campuses provided the funds are available.*

## **MEDICATION AT SCHOOL**

### **Medication Forms**

Prescribed and/or over-the-counter (OTC) medication is administered only upon receipt of a correct, current, completed School Medication Prescriber/Parent Authorization Form (PPA). The prescribing physician must fill out the prescriber authorization section and sign the PPA for prescription medication to be given at school. This form is available in the nurse's office or on the school's website under nurse section. Please ensure that the PPA matches the pharmacy label. **Over the Counter medication may not be kept for more than 2 weeks without written authorization from an authorized licensed healthcare provider.**

### **Delivery of Medication**

All prescription medication must be in a current, pharmacy-labeled prescription container. All OTC medications must be in an unopened (sealed), manufacturer-labeled container and identified with the student's name written in permanent ink. The parent/guardian or parent-designated responsible adult (not the student) should deliver to school nurse. No expired medication will be accepted.

## **Acceptance of Medication**

Both the parent/guardian or authorized adult and the licensed nurse or medication assistant will sign the back of the Medication Administration Daily Record (MAR) to verify amount received or retrieved. Students must not deliver or carry any type of medication to and from school except those authorized for self-administration/self-carry (inhalers, epi-pens, and insulin are allowed for self -carry/self-administration with current PPA on file with nurse).

## **Storage of Medication**

All medications must be stored in the nurse's office according to ABN guidelines. Exceptions to this rule are medications prescribed to prevent or treat medical emergencies. Per ABN guidelines, Gadsden City Schools do not stock over the counter medications (Tylenol, Ibuprofen, Hydrocortisone, etc.) for student or staff use. First aid supplies including calamine lotion, antibacterial ointment, saline wound wash, and eye wash may be maintained in the school nurse office.

## **Emergency Medication**

A student may carry his/her emergency medication (insulin, glucagon, epi-pen, or rescue inhaler) with proper authorization on the School Medication Prescriber/Parent Authorization Form (PPA) and after demonstration of proper administration to the nurse.

## **Expired Medication**

The parent/guardian or authorized adult will be notified when medications expire. Expired medication must be picked up within two (2) weeks of notification. If not picked up, medication will be destroyed in accordance with federal and state guidelines.

## **End of each School Year**

The parent/guardian or authorized adult (not the student) must pick up all medications on or before the last day of classes or the medications will be destroyed. Medication cannot be kept at the school between the end of the regular school year and the start of the next school year.

**STUDENTS FOUND TO BE IN POSSESSION OF MEDICATION (PRESCRIBED OR OVER THE COUNTER WITHOUT PROPER AUTHORIZATION ON FILE IN THE SCHOOL NURSE OFFICE) OR WHO GIVE AWAY, SELL, OR ATTEMPT TO GIVE AWAY OR SELL MEDICATION MAY BE SUBJECT TO SUSPENSION, PROBATION, OR EXPULSION.**

## **ALABAMA CERTIFICATE OF IMMUNIZATION**

Every student enrolled must have and maintain a current Alabama Certificate of Immunization or an authorized exemption on file at the school according to **Alabama Code Section 16-30-4**. Non-compliance may result in a delayed start date for the student.

## **POLICY/PROCEDURE FOR PEDICULOSIS CAPTITIS (HEAD LICE)**

Purpose: To define the steps that will be taken by Gadsden City Schools' staff in the event of a suspected case of head lice.

Rationale: The goal of Gadsden City Schools' Health Services is to keep students in the classroom as long as medically safe. As head lice are not at a risk for carrying communicable disease; are primarily spread through direct head to head contact, and can only live less than a day off a host, the subsequent steps will be followed:

1. Students suspected of having head lice will be sent to the school nurse/designee for evaluation. Mass screenings are no longer recommended.
2. A parent/guardian will be contacted and a lice information sheet will be sent home with any student found to have nits. **FOCUS WILL BE ON THE REMOVAL OF NITS TO BREAK THE LIFE CYCLE, PREVENTING OUTBREAKS.**
3. The principal will be advised of any student found with live head lice. It will be at the principal's discretion whether the student with live head lice may remain at school until the end of the school day.
4. Students with live head lice must be treated and be of free of lice/nits before returning to school. Nits may persist after treatment, but successful treatment should kill crawling lice.
5. The process of a student returning to school after live head lice are found will be:
  - A. A parent/guardian must accompany student to school.
  - B. The school nurse/designee will check the students head before student can return to class.
  - C. If no lice/nits are found; the student may stay at school.
  - D. If lice are found; the parent/guardian will take the student home. A student will not be allowed to stay at school with live head lice.
  - E. If nits are found, it will be at the principal's discretion whether the student may remain at school.
6. Students are excused the first two (2) days for treatment of lice for the first incident only. All subsequent absences due to lice are unexcused.

### **PREVENTATIVE HEALTH MAINTENANCE**

The Alabama State Department of Education and the Alabama Department of Public Health requires that school districts in Alabama offer and provide scoliosis screenings for all students in grade 5 through age 14, including special education students. The goal of this program is early detection of spinal deformities.

\*\*Meningococcal meningitis is inflammation of the lining around the brain and spinal cord that is caused by a very serious bacterial infection. This infection can lead to brain damage, hearing loss, learning disabilities, and even death. The meningococcal vaccine (MCV4) is recommended for all children 11-12 years of age. Older teens need a second shot at 16 years of age. For more information, please refer to:

<http://www.adph.org/Immunization/assets/MeningococcalDiseaseAndVaccineFlyer.pdf>

\*\*The Influenza "flu" vaccine is recommended for all age groups. For more information, please refer to:

\*\*Backpack Act 2017-19 urges all school administrators, teachers, parents & students to be educated about the potential health impact of heavy backpacks and to take proactive measures to avoid injury. More information can be found at: <https://www.healthychildren.org/English/safety-prevention/at-play/Pages/Backpack-Safety.aspx>

\*\*Sunscreen Act 2017-278 allows any student to self-carry & apply a FDA approved sunscreen without any type of consent/paperwork. However, if a parent requests a school employee apply the sunscreen then the parent must contact the school nurse for appropriate paperwork to be completed.

\*\*COVID-19 (coronavirus disease 2019) is a disease caused by a virus named SARS-CoV-2. It can be very contagious and spreads quickly. Covid-19 most often causes respiratory symptoms that can feel much like a cold, the flu, or pneumonia but may attack more than your lungs and respiratory system. If you are exposed to or test positive for Covid-19, contact your health care provider or go to: <https://www.cdc.gov/coronavirus/2019->

**\*\*Effective hand washing is the most powerful weapon available to fight the transmission of most infections.**

**\*\*Open wounds must be covered at all times while at school.**

**\*\*If your child is sick, please keep them home. We are committed to sending sick children home to decrease exposure to the rest of our students thus preventing outbreaks of preventable illnesses. If your child has a rash, it is recommended they be evaluated by a medical professional with a note saying when they can return to class.**

### **STUDENT EXCLUSION DUE TO ILLNESS**

Should a child develop any contagious signs or symptoms (SEE BELOW) while at school, school personnel will contact the parent/guardian or authorized adult and request that the child be taken home. If symptoms persist longer than two (2) days, consider taking your child to a physician. In the absence of a medical diagnosis or a physician-signed clearance to return to school, students who are ill should be excluded from school for 24 hours after the last episode or until illness subsides according to the following guidelines:

<b>Symptom</b>	<b>Recommended Exclusion Period</b>
Fever (100.4 degrees or higher)	Until 24 hours after the last episode of fever without anti-fever medication
Diarrhea	Until 24 hours after the last episode of diarrhea

Dear Parents, Guardians, and Students,

As we prepare for the upcoming academic term, I want to take this opportunity to share important information regarding the Code of Student Conduct for Gadsden City Schools.

The Code of Student Conduct serves as a guide outlining the expectations and standards of behavior that we uphold at Gadsden City Schools. It is our commitment to providing a safe, respectful, and nurturing learning environment for all students enrolled in Gadsden City Schools.

We believe that fostering a positive school culture requires collaboration between school staff, students, and families. Your involvement and support in reinforcing the principles outlined in the Code of Student Conduct are crucial. By working together, we can ensure that every student understands and upholds these standards, promoting a school environment where everyone feels valued and respected.

I encourage you to take the time to review the Code of Student Conduct with your child before the start of the school year. Discussing these expectations at home provides an excellent opportunity to reinforce the importance of integrity, respect, and responsible decision-making. Our goal is to ensure all students are well-prepared to contribute positively to Gadsden City Schools from day one.

Thank you for your ongoing partnership in creating a safe and supportive learning environment for all students at Gadsden City Schools. Together, we can make this school year successful and fulfilling for every member of our school community.
